Welcome to the Virginia Department of Aviation . The Virginia Department of Aviation is a state transportation agency whose mission is to cultivate an advanced aviation system that is safe, secure and provides for economic development; promote aviation awareness and education; and provide the safest and most efficient flight services for the Commonwealth Leadership and State agencies.

## **Welcome to the Virginia Department of Aviation**

Business aviation is the use of any 'general aviation' aircraft for a business purpose. The Federal Aviation Administration defines general aviation as all flights that are not conducted by the military or the scheduled airlines. As such, business aviation is a part of general aviation that focuses on the business use of airplanes and helicopters.

## **What is Business Aviation? | NBAA - National Business**

Aviation safety means the state of an aviation system or organization in which risks associated with aviation activities, related to, or in direct support of the operation of aircraft, are reduced and controlled to an acceptable level. It encompasses the theory, practice, investigation, and categorization of flight failures, and the prevention of such failures through regulation, education ...
