Suzuki DR650 Parts, Accessories, & Performance - ProCycle

What is a dashcam? Simply put, a dash cam (or dashcam) is a small video camera that attaches to your car's windshield and continuously records video as you drive. Dashcams were popularized in Russia; more than likely you have seen footage from a Russian dashboard camera. Sometimes a dashcam is called a car DVR (Digital Video Recorder), a car black box or an in-car camera system.
