The Best Over the Range Microwave – Gives you Flexibility. The one must-have appliance which gives you some flexibility is the microwave oven. It may be a pain and somewhat expensive to install your microwave over the range, but that simple kitchen redesign can free up tons of space that you can use for an ice cream maker, spice rack – or even for food preparation.

Best Over The Range Microwave Review - Top 5 Hottest List

This unit was acceptable. The convection oven and grill never really worked as well as a traditional convection oven and grill, but they worked well enough that, along with the microwave, we used the unit daily.
