Healthcare in Canada is delivered through thirteen provincial and territorial systems of publicly funded health care, informally called Medicare. It is guided by the provisions of the Canada Health Act of 1984.

Healthcare in Canada - Wikipedia

The use of effective communication among patients and healthcare professionals is critical for achieving a patient's optimal health outcome. However, according to the Canadian Patient Safety Institute, ineffective communication has the opposite effect as it can lead to patient harm. Communication with regards to patient safety can be classified into two categories: prevention of adverse events ...
