

SECURITY CAMERA RESOLUTION

security camera resolution pdf

United Nations Security Council Resolution 242 (S/RES/242) was adopted unanimously by the UN Security Council on November 22, 1967, in the aftermath of the Six-Day War. It was adopted under Chapter VI of the UN Charter. The resolution was sponsored by British ambassador Lord Caradon and was one of five drafts under consideration. The preamble refers to the "inadmissibility of the acquisition ...

An Internet Protocol camera, or IP camera, is a type of digital video camera that receives control data and sends image data via the Internet. They are commonly used for surveillance. Unlike analog closed-circuit television (CCTV) cameras, they require no local recording device, but only a local area network. Most IP cameras are webcams, but the term IP camera or netcam usually applies only to ...
