Electricity would remain little more than an intellectual curiosity for millennia until 1600, when the English scientist William Gilbert wrote De Magnete, in which he made a careful study of electricity and magnetism, distinguishing the lodestone effect from static electricity produced by rubbing amber. He coined the New Latin word electricus ("of amber" or "like amber", from ????????) ...

William Justus Goebel (January 4, 1856 – February 3, 1900) was an American politician who served as the 34th Governor of Kentucky for four days in 1900 after having been mortally wounded by an assassin the day before he was sworn in (though he was on his deathbed by that time). Goebel remains the only state governor in the United States to be assassinated while in office.
